## *Floral Centerpiece*

From “A Celebration for Mom”, on page 54 of the Spring 2010 issue of *Phyllis Hoffman Celebrate*

This simple centerpiece adds dramatic appeal—and your guests will think it took hours to make.

### **Things to gather:**

Oasis wreath floral foam (We used a 21-inch base.)

2 bunches baby’s breath

1 bunch white roses

1 bunch yellow roses

1. Soak Oasis in water until completely saturated.
2. Clip baby’s breath, and cover entire wreath.
3. Trim roses, and push stems into Oasis where desired.

**Note:** All items can be purchased at your local florist.
