*Classic Sewing* magazine was born out of a passion for stitching, both by hand and by machine, and educating readers on the proficiencies needed to master the art of sewing. It is the industry's leading publication on the many joys and delights of garment construction, machine and hand embroidery, and other needle arts. *Classic Sewing* magazine is the standard of excellence in sewing. It delights the reader with the endless techniques and design possibilities. With its quarterly frequency, it gives the subscriber time to make projects from the magazine between issues.

*Classic Sewing* follows the seasons in project themes, and the editorial content is focused on that as well. Regardless of the sewing skill level of the readers, there are projects in each issue for everyone. The content is designed to provide education and instruction to the readers. Through the pages of this magazine, with detailed instructions, you can advance your skills at your own pace. It also introduces new fabrics, equipment, and notions in every issue.

The magazine comes poly-bagged with a full-size sewing pattern envelope containing paper patterns for several garments in the issue. Plus, there are countless downloads featuring patterns, machine embroidery designs, added technique instruction, and anything that is needed to complete the projects featured.

The magazine is filled with designs from the top designers in the sewing industry. Beginning with the Spring Issue, Easter sewing is introduced, followed by the Summer Issue, where casual, fun sewing projects are featured. The back-to-school Fall Issue kicks off the season for cooler months. The sewing year culminates with the Holiday Issue, featuring a plethora of holiday fashions, gift ideas, and enjoyable sewing ideas for your home. During the year, the subscriber receives more than \$500-worth of patterns, embroidery designs, smocking plates, and appliqué patterns.

The year 2021 promises to be even more inspirational. Machine sales are increasing, as new people are entering the sewing world. *Classic Sewing* will continue to be the leader in the industry going forward, providing projects for these new sewists as well as the very advanced sewists.
