Award-winning *TeaTime* magazine boasts an engaged readership who are enchanted by the many aspects of tea culture. Reading each bimonthly issue cover to cover (including advertisements), they soak in our educational articles and informative columns, find inspiration in our lovely table settings and bespoke menus for afternoon tea, and relish the expert tea pairings we provide.

Beginning with the March/April 2021 issue, the magazine will have an increased page count of 96 plus covers for a total of 100 pages. We are excited to be able to showcase our beautiful full-color photography in those additional pages by expanding and enhancing many of our regular features. Contributing editors Jane Pettigrew, James Norwood Pratt, and Bruce Richardson as well as our own talented staff and other gifted writers will provide more must-read content for tea lovers.

The March/April 2021 issue, *TeaTime's* 100th regular one, will be decked out for springtime festivities and will feature a special look back at the publication's history and notable milestones. Weddings and families will be the focus of the May/June issue, while our July/August issue will be properly steeped in all things British. The hues and flavors of autumn will permeate our September/October issue, and we will celebrate the holidays with a variety of afternoon teas and our annual gift guide in our November/December issue. To ring in 2022, our January/February issue will fête the charms of France—from fabulous fare and favorite tea blends to exquisite porcelains and enchanting venues for tea.

I look forward to welcoming you to the pages of *TeaTime* in 2021 as we celebrate the wonderful world of tea together.

Cheers,

Editor, *TeaTime*
