In addition to regular issues, *Bake from Scratch* offers special issue publications, including our annual *Holiday Cookies* issue.

B*ake from Scratch* is dedicated to tapping into the most incredible niche community of artisan bakers. For our readers and followers, the love of baking transcends hobby and crosses over into a passionate devotion. We deliver the content our readers deserve, with each issue featuring tested recipes, stunning photography, and in-depth coverage of the bakers, bakeries, and brands the community should know.

We open 2023 with our January/February issue, dedicated to comfort baking, with March/April quickly following on its heels with an ode to spring baking, from strawberries to new ways to bake with chocolate. May/June has us traveling to San Miguel de Allende, Mexico, touching on several of its famous culinary traditions. July/August is our loving

tribute to sweet summer produce, looking at the many ways to incorporate stone fruit, berries, and more into your baking. Then we herald the peak of the baking season with our September/October issue, a fall baking extravaganza that covers every crumb of the pies, cookies, and cakes the season calls for. Finally, November/December is an ode to all things festive, exploring the delights of the holiday season for a baker.

Each issue contains a variety of columns, like *Bakers Gonna Bake*, our roundup of exciting new baking products, cookbooks, and bakeries, and *From the Pantry*, a deep dive into fresh baking ingredients like berries, stone fruit, and citrus. In addition, every issue highlights some of the world's most exciting bakeries, hitting on urban hot spots and small-town hidden gems. This year, we plan to make stops in Los Angeles, California; New Orleans, Louisiana; and many more unique locations.

We've declared 2023 to be the year of baking, and we can't wait to introduce you to our amazing base of engaged home bakers.

Happy baking,

Brian Hart Hoffman
Editor-in-Chief
