The Southern Home reader is affluent, educated, and traveled, and loves all aspects of a beautifully designed home and garden. She appreciates that a home is not decorated overnight, but rather collected with antiques, art, furnishings, and decorative objects that have been acquired over time and often tell a story. Our reader is inspired by the elevated aesthetic of noted designers and architects that is beautiful, functional, and inviting. From the drapery on the window to the trim on the pillows, every detail is carefully considered.

She wants to know what is new and now but also appreciates the timeless style of the South. She cherishes the opportunity to entertain family and friends and enjoys setting a table with fine china, crystal, linens, and fresh flowers. She loves to travel and seeks out destinations that are as well-appointed as her home. This woman wants to be surrounded by beauty, and *Southern Home* is her magazine of choice.
